new students of The University of the West Indies (UWI) Mona, who are citizens of Trinidad & Tobago, must register for a GATE e-Service ID at any of the GATE Registration Centers in Trinidad. Please note that

registration for the GATE e-Service ID is **not** your application for gate funding.

Having GATE registered, you will receive an email containing a GATE e-service ID and a password. This

ONLY indicates that you have registered for an ID. This information must then be used to log on to the GATE e-Service website at [www.e-gate.gov.tt](http://www.e-gate.gov.tt) to apply for GATE funding online. Your GATE e-Service ID and a password must be retained to apply for GATE funding after you have formally registered at The UWI during the UWI Registration period for the 2020/21 Academic Year.

The GATE policy has been revised effective August 1, 2017 and now reads:

*“ ..... effective for the academic year 2017/2018 and beyond, a means test be used to determine access to the GATE Programme;*

*The under-mentioned measures be implemented with effect from the academic year 2017/2018 and beyond:*

- i. where the household income falls below \$10,000 per month, students be eligible for 100% funding*
- ii. where the household income is above \$10,000.00 per month, students be required to pay 25% of their tuition fees*
- iii. where the household income is above \$30,000 per month, students be required to pay 50% of tuition fees.”*

(Cabinet Minute No. 1119 of August 3, 2016).

For students over the age of fifty years, GATE support will not be available and **only specially approved graduate programmes, to be further advised**, will be allowable effective 2017/2018 Academic Year.

**Please refer to the GATE e-Service website at <http://www.e-gate.gov.tt> for full details and instructions on applying for GATE.**

# BAHAMIAN APPLICANTS

The Bahamian government has advised that all nationals of the Bahamas must contact them to discuss tuition support from their programme of study. Applicants who are selected for tuition support from the Bahamian government are required to submit an official letter of tuition support to The University of the West Indies, Mona Admissions Section so that their financial records can be adjusted to reflect this sponsorship. Please be guided accordingly.

## PRE-ARRIVAL INFORMATION FOR INTERNATIONAL STUDENTS

Nationals from non-Commonwealth countries would need to obtain a visa for travel to Jamaica. No visa is required for nationals of Commonwealth countries, save for a few exceptions: Pakistan; Sri Lanka; Nigeria; British Virgin Islands and Cayman Islands. Visa should be obtained at a Jamaican Consulate or Embassy prior to your arrival in the island.

**Please ensure that you have the original letter of acceptance from us as you will be landed initially as a visitor to the island but thereafter you will have to apply for your status to be changed to that of “student”.**

To do so, you must complete an Extension of Stay form and submit same along with the acceptance letter from the educational institution addressed to the Chief Executive Officer of **Passport Immigration and Citizenship Agency**. Student status is granted for the duration of the programme of study or to the expiry date of the passport, whichever comes first. This process attracts a non-refundable processing fee of \$10,000.00 and is facilitated on-campus through our **International Students Office, ISO**. You must apply for Extension of Stay so that you are not in breach of our Immigration laws. Failure to do so will result in the payment of fines or deportation. For further information, visit our website at <http://myspot.mona.uwi.edu/iso/You-arrive> or the Jamaica Passport and Immigration Agency (PICA) at [www.pica.gov.jm](http://www.pica.gov.jm).
