

The UWI Mona Campus Culture & Heritage Tour

Relive the Past, Embrace the Present

The UWI Mona Campus Culture & Heritage Trail

This tour package encompasses an in-depth tour of all the cultural and heritage sites located on the campus. Join us as we take a journey through the sugar estates and plantation settlements.

Experience the post-estate period where the grounds were transformed into a camp for refugees from Gibraltar during WWII.

Accompany our tour guides as they highlight architecture, relics and monuments while explaining the birth of the University College of the West Indies which then became the University of the West Indies and is now ranked among the top 4 % universities in the world.
