INTERNATIONAL EXCHANGE PROGRAMME

At the University of the West Indies, students are encouraged to spend a semester or a year (except the final semester of the final year) at any of our partner universities in the USA, Canada, Asia, Europe, South Pacific or South America at no additional tuition cost.

Tuition fees are paid to the UWI and not to the host university under exchange agreements; however, you are responsible for your living, transportation and other expenses.

You may also opt to spend a semester or a year at another UWI campus:

- The Cave Hill Campus in Barbados
- or The St. Augustine Campus in Trinidad & Tobago

SCHOLARSHIPS

The Caribbean Integration Programme (CIP) is a bursary available to students participating in the intercampus exchange to the Cave Hill or St. Augustine Campuses.

The Canada-CARICOM and Emerging Leaders in the Americas Programme (ELAP) scholarships are available to both undergraduate and graduate students participating in exchange to one of the UWI's Canadian partners.

STUDY ABROAD PROGRAMME

All universities abroad are open to UWI students willing to pay tuition and all other costs to the host university.

To go on exchange you must complete the appropriate application forms, and if required submit a statement/reason for choosing the host university to the International Students Office (ISO).
